

ACAPULCO

TILE FINISHES

Choosing tile allows for a unified design carrying the vision of the facility throughout the entire natatorium. Coordinated colour schemes are vital to the pool's refined aesthetic. There are no other aquatic finishes that compare. With unlimited colour choices, varied tile sizes and multiple patterns, it reserves unlimited possibilities. The finishing on your pool can make a vast difference in, not only the look of your pool, but also the functionality and duration of your pool's life.
