

Product Name: Sodium thiosulfate pentahydrate

Code No.: ATR02619

SECTION VI - TOXICOLOGICAL PROPERTIES

Routes of Entry Ingestion.

Acute Effects on Humans: No specific information is available in our database regarding the other toxic effects of this material for humans.

Chronic Effects on Humans: **CARCINOGENIC EFFECTS:** Not available. **MUTAGENIC EFFECTS:** Not available. **TERATOGENIC EFFECTS:** Not available. Toxicity of the product to the reproductive system: Not available. There is no known effect from chronic exposure to this product. Repeated or prolonged exposure is not known to aggravate medical condition.

Synergistic Materials:

SECTION VII - PREVENTIVE MEASURES

Gloves:

Eye Protection:

Respiratory Protection:

Other Protective Equipment: Splash goggles. Full suit. Dust respirator. Boots. Gloves. A self contained breathing apparatus should be used to avoid inhalation of the product. Suggested protective clothing might not be sufficient; consult a specialist BEFORE handling this product.

Engineering Controls:

Leak and Spill Procedure: Use appropriate tools to put the spilled solid in a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and dispose of according to local and regional authority requirements.

Our database contains no additional information in case of a spill and/or a leak of the product. Use a shovel to put the material into a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system.

Waste Disposal: Recycle, if possible. Consult your local or regional authorities.

Storage Requirements: No specific storage is required. Use shelves or cabinets sturdy enough to bear the weight of the chemicals. Be sure that it is not necessary to strain to reach materials, and that shelves are not overloaded.

SECTION VIII - FIRST AID

Eye: NO known EFFECT on eye contact, rinse with water for a few minutes.

Skin: NO known EFFECT on skin contact, rinse with water for a few minutes.

Inhalation: Allow the victim to rest in a well ventilated area. Seek immediate medical attention.

Ingestion: Remove dentures if any. Have conscious person drink several glasses of water or milk. INDUCE VOMITING by sticking finger in throat. Lower the head so that the vomit will not reenter the mouth and throat. NEVER give an unconscious person anything to ingest. Seek medical attention.

SECTION IX - OTHER INFORMATION

References Not available.

Additional remarks: No additional remark.
